| W-hoog | WH | De Wielen | 9/10 |
| W-laag, (via W-hoog) | WL | De Wielen | 9/10 |

How to get to the Technische Universiteit Eindhoven

By plane

You can get direct flights to Eindhoven Airport (Welschap) from various cities in Europe: Amsterdam, Maastricht, London, Birmingham, Manchester, Paris, Zurich, Frankfurt, Hamburg and Strassbourg.

By train

Railway connections to and from Eindhoven

You can reach the university quite easily by train.

The university buildings are situated near the railway station. Leaving the platform, you go down the stairs and turn to the right. You leave the building on the north side, facing the bus station. The university buildings are to be found at the north-east and are a five minutes walk.

By car

There are plenty of parking places in the vicinity of various buildings.

From 's-Hertogenbosch, Motorway A2/N2:

At the intersection 'Ekkersweijer' take the motorway A58 and follow the signs 'Centrum'. Keep driving in this direction. Soon after the signs with the word 'universiteit' will appear. After crossing the ringroad 'Ring' you see the sign 'universiteit'. Take the turn-off to the left.

From Maastricht, Motorway A2 and from Venlo or Antwerpen, Motorway A67:

At the intersection Leenderheide you follow the signs 'Centrum/Tongelre'. When you arrive in Eindhoven, you take the second exit on the roundabout. Go straight on. At the second set of traffic lights you follow the signs 'Nijmegen/'s-Hertogenbosch'. Keep driving in this direction (across a canal and under a railway). Soon after that signs with the word 'universiteit' will appear. Immediately after the next roundabout you see the sign 'universiteit'. Take the turn-off to the left.

From Tilburg, Motorway A58:

At the intersection 'Batadorp' you take the exit 'Randweg Eindhoven(Noord)/Centrum' and at the intersection 'Ekkersweijer' the exit 'Randweg Eindhoven/Centrum'. Then you keep following the signs with 'centrum' (motorway A58). After crossing the ringroad 'Ring' you see the sign 'universiteit'. Take the turn-off to the left.

From Nijmegen, Motorway A50:

At the end of the motorway A50, at Ekkersrijt, you drive straight ahead. Then follow the signs 'Centrum' and after that 'universiteit'. Directly after crossing the ringroad ('ring') you see a signpost pointing you in the direction of 'universiteit' (to the left).

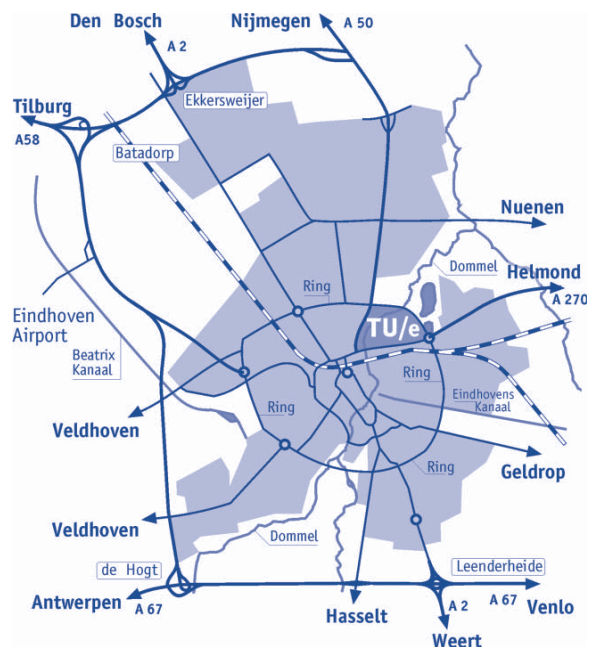

From Helmond, Motorway A270:

When you arrive in Eindhoven, take the first exit on the roundabout towards 'Ring/universiteit/'s-Hertogenbosch/Tilburg'. After this roundabout you see the sign 'universiteit'. Take the turn-off to the left.
